AUTHORISATION TO SHARE KENNEL/CATTERY UNIT

I hereby authorise Arden House Kennels to house my animals together in one kennel/cattery unit.

I also give consent for my animals to be separated should any problems arise.

I agree to pay any extra boarding fees that may be incurred should my animals need to be housed separately.

I confirm that there are no behavioural issues that the kennels need to be made aware of, particularly in relation to my animals sharing a pen.

Should any illness, injury or other incident occur as a result of more than one animal sharing a pen I understand that any vet's fees or other costs incurred will not be covered by the kennel's own insurance and I agree to pay any such costs.
